Hi there,

I am analyzing data from the Malawi 2015-2016 DHS which I believe was conducted using DHS-VII. I only see recode manuals up to DHS-VI on the DHS program website. I was wondering if there is a recode manual for DHS-VII available and if so, how I might access it.

Thanks!

Emma

Hi there,

I am also looking for the recode manual for DHS-VII. Were you able to get a copy? I am looking specifically for what variable name/description was given to question 106 of the questionnaire.

Hi Bridgette,

Just wondering whether the DHS VII Recode File is ready for use yet.

If not, do you know when it will be available?

Many thanks,

dugald
