Hello,

When I go to the page to select files to download from Chad, none of the check-boxes on the left hand side of the page show up. Pages for other countries do have these check boxes, so it seems to be a challenge only with the Chad data.

Many thanks!

Jocelyn

Unfortunately, I could not find an account for your registered email address, but my guess is that you did not request data for Chad.

If you still have download problems, please send an email to: archive@dhsprogram.com
