Hi all!

Can anyone give me some information on how day-to-day interview schedules are set for the DHS interviewers and also whether they are paid per interview/per hour/etc.?

Thanks!

Here is a response from Senior DHS Specialist, Joy Fishel:

These decisions vary from country to country, and are generally left up to the survey implementing agency.

Thank you for your response! Are there any commonalities across countries? Such as, the interviewers are paid by the hour, and the work schedules are set by their supervisors, etc.?
