Hi,

There are many preliminary reports for SSA countries now available. Could you share a rough timeline for dataset access? (e.g. Before end-Jan? Before end-Feb? Before end-March?)

Benin DHS 2011-12

Comoros DHS 2012

Equatorial Guinea DHS 2011

Gambia DHS 2013

Guinea DHS 2012

Liberia DHS 2013

Mali DHS 2012-2013

Niger DHS 2012

Nigeria DHS 2013

Senegal DHS 2012-13

Thanks

Emily

Dear Emily,

DHS datasets are not available until the final report is available for a particular survey. With the exception of Niger 2012 DHS, none of the final reports for those surveys you have listed are available. The Niger 2012 DHS final report was posted last week and the dataset should be posted shortly. It's very difficult to anticipate when final reports and/or datasets will be available, as their release is contingent upon a multitude of factors. However, you can sign up for alerts on the availability of datasets, so you will be sure to know as soon as they are released.
