---

Good evening,

I have had a chance to explore the Facility Raw data-set for Senegal Service Provision Assessment (SPA) survey and it appears that the STATA file available for download is actually not a Facility survey, but rather it seems to be related to the Provider survey. I was wondering if you could look into this issue. I would appreciate your help.

Best regards,  
Amir

Dear User,  
Can you please provide the exact name of the file you downloaded and are referring to?  
Please see below for the naming conventions we use.  
Quote:

CCDDVVFFDS.EXT

Where:

CC Country Code  
DD Data Type (see below)  
VV Phase or Contract (DHS I - VII) | Release Version (71, 7A, etc.)  
FF Data File Format  
DS Data Structure (SR: SPA Recode | SP: SPA Raw)  
EXT File extension

And below are the data types the Data Archivist identified within the SPA surveys:

Dear DHS forum members

Anyone out there with the code to reproduce the SPA tabulation? The one that can reproduce tables in DHS+SPA+Draft+Manuscript+--12-2013?

Can share with me at [amueke@unicef.org](mailto:amueke@unicef.org)

Regards,

Austin.
