Your registered email address is invalid, and we are getting bounceback emails. We cannot send you the documents you requested without a valid address, so please correct your email address on the forum and on https://www.dhsprogram.com/.

My email is valid. Is gmail not allowed?

Thanks, Nick

Hi Nick,

Gmail is allowed. However, my colleague tried emailing you at this address and got bounceback emails. I will try it myself, and see if I get the same problem.

Thanks - Bridgette

Hi - I haven't received it so I am guessing it bounced back. Can I send you my email address to use? Not sure why it doesn't work as I receive your correspondence
