I am currently working using Ethiopia DHS 2016 and wanted to replicate Table 10.8 in the final report. Can you please provide advice or codes on how to proceed with this?

Best,
Engida

Dear User,

Please post your existing code. Someone in the user community may be able to help you debug it or offer some guidance. For additional resources, please take a look at The Guide to DHS Statistics

[https:// www.dhsprogram.com/publications/publication-dhsg1-dhs-questions-and-manuals.cfm](https://www.dhsprogram.com/publications/publication-dhsg1-dhs-questions-and-manuals.cfm)

and The Standard Recode Manual [https://](https://www.dhsprogram.com/publications/publication-DHSG4-DHS-Questions-and-Manuals.cfm)

www.dhsprogram.com/publications/publication-DHSG4-DHS-Questions-and-Manuals.cfm.

It is also useful to search through the existing posts on the DHS User Forum.
