The sdist variable for districts for the 2014 data appears to be empty. Is this data available? Thank you.

The SDIST variable should not have been in the data. Due to the confidentiality requirements of DHS data, we do not provide administrative classifications below the DHS region level (you may wish to consult this topic on our user forum

<https://userforum.dhsprogram.com/index.php?t=msg&th=70&start=0&>)
