Subject: Approximating Premature Births in DHS
Posted by ftakavarasha on Fri, 06 Apr 2018 09:44:38 GMT

I am want to find the prevalence of premature births using the Zimbabwe 2015 dataset. Is that possible, if so how can I carry it out?

FT

Dear User,
You will want to work with calendar data. For the calendar tutorial:
https://www.dhsprogram.com/data/calendar-tutorial/
Thank you!
