I am not sure if DHS has any variables on NCD such as Kidney disease, cancer etc. Is any of this information on NCDs collected?

Dear User, Attached is a spreadsheet containing some of the subject matter you are seeking. This is NOT a comprehensive list but should help. You may also want to try the IPUMS website https://www.idhsdata.org/idhs/ You can browse, select data and search for variables by searching for key words. Thank you!
