Hello,

I am trying to merge the wealth index file (identifier whhid) in 1993 with the household file (Pr), but cannot figure out how whhid was created. The responses on the forum don't give answers to my question.

I have also read the page on data merger (<https://dhsprogram.com/data/Merging-Datasets.cfm>) but don't find the answer to my question.

Thanks

Fusta

Dear User, Take a look at this post for merging guidance: https://userforum.dhsprogram.com/index.php?t=msg&th=6806&got o=14121&#msg_14121

Thank you!
