Hello dears, can I get Preterm birth (birth < 37 weeks) data from EDHS 2016? And how can I calculate?

Regards,  
Asnakech

Following is a response from Senior DHS Specialist, Ladys Ortiz:

Yes, this is possible but just for birth in the last 5 years (0-59 months). There is a variable which is part of the birth history named "B20 = pregnancy duration".
