Dear DHS Team,

This is to kindly request you ethical approval of using Senegal DHS 2015.

Since last, I'm completing my research on malaria and anaemia prediction by using children health data from Senegal.

In the final stage of my study, I submitted a manuscript for publication. But the editor in chief requested a statement indicating ethical approval by a recognised authority.

I would appreciate your help.

Regards

Sow Boubacar

Dear User,

Quote:Hello,

You made this same request via one of the DHS Program's emails, we replied to your email. In future, if you would like to contact us, please write to only one location.

We appreciate your use of DHS data.
