I am looking for DV related variables in the above mentioned file, which is "d103a" or other variables related to DV in file "BDIR72SV". But this file does not seem to contain these variables. Why? And from where to get those variable values? Please help me.

Dear User, the reason you are not finding Domestic Violence questions is because the Bangladesh DHS 2014 survey did not include those questions in the interviewing process. Therefore, they do not exist. Thank you!
