We have included suggestions on 2 topics and are endorsing 4 proposals developed by USAID, PRH and Population Council

PME Working Group suggestion:
1) Adding a set of question on use of Emergency Contraception in the last 12 months
2) Adding a module of questions on implant counseling and removal services in countries with high levels of current implant use.

PME Working Group Supports the following proposals from USAID PRH
1) Truncating the contraceptive calendar from 5 years to 3 years with an additional question at the start of the calendar
2) Including age at menarche as a standard question
3) Considering asking contraceptive use + method type at last sex

PME Working Group supports the following proposal developed by Population Council:
Percentage of current modern reversible method users (pill, injectable, IUD, implants) who received information about the possibility of switching to another method
