Dear User,
Please refer to The Guide to DHS Statistics
http://www.measuredhs.com/pubs/pdf/DHSG1/Guide_to_DHS_Statistics_29Oct2012_DHSG1.pdf. The publication is bookmarked. The "Fertility" bookmark is the the first bookmark under "III. Guide to Individual Statistics". This section in the manual goes over the calculations which are needed using CMC (century month codes). If this has not answered your question adequately, please reply.
