Looking for the 2017-18 version of the district codes and cluster numbers provided in the attachment on this thread:

https://userforum.dhsprogram.com/index.php?t=tree&th=1860&goto=3747&#msg_3747.

The latest version has 580 clusters whereas the 2012-13 wave only has 500.

Thanks!

Looking for similar information. Have district codes changed in any way?
