Subject: Birth preparedness plan variable Posted by estierman on Sat, 06 Apr 2019 15:09:56 GMT View Forum Message <> Reply to Message

In the Ethiopia DHS2016 report, Table 9.5 provides information on birth preparedness plans during antenatal care. However, I cannot find the associated variable in the dataset. Could you provide the variable name?

Following is a response from DHS Senior Research Associate, Lindsay Mallick:

The variable label in the dataset is misspelled. But if you type "lookfor prepar", you will find it is the variable v412c_1.
