Dear DHS Forum,

I just wanted to check whether there a list of DHS surveys that include menopause questions (i.e. v215 and/or v226) akin to the list provided for menarche in this thread:

[https:// userforum.dhsprogram.com/index.php?t=msg&goto=16341&  
&srch=menarche#msg\\_16341?](https://userforum.dhsprogram.com/index.php?t=msg&goto=16341&&srch=menarche#msg_16341?)

Many thanks,

Laura

Thanks for all the tips mentioned in this article! it's always good to read things you have heard before and are implementing, but from a different perspective, always pick up some extra bits of information.

Hi DHS support,

I just wanted to flag this query as unanswered - are you able to advise RE whether there is a list of DHS datasets that ask about menopause?

Many thanks,

Laura
