Dear DHS Forum,

I just wanted to check whether there a list of DHS surveys that include menopause questions (i.e. v215 and/or v226) akin to the list provided for menarche in this thread:

https:// userforum.dhsprogram.com/index.php?t=msg&goto=16341&
&srch=menarche#msg_16341?

Many thanks,

Laura

Hi DHS support,

I just wanted to flag this query as unanswered - are you able to advise RE whether there is a list of DHS datasets that ask about menopause?

Many thanks,

Laura

I just came across your message that doesn't appear to have been answered. The quick answer is that almost all DHS survey (possibly with a couple of exceptions) include the questions for V215 and V226. MIS and other surveys are unlikely to include them.
