why the questions about decision on "Food to be cooked each day" and "Making household purchases for daily needs" weren't asked again on DHS-5?

Dear User, The woman's and man's questionnaire for DHS5 do ask the question on "Making household purchases for daily needs". You can take a look at the questionnaires for DHS5 on our website. Question 825 in the woman's questionnaire and Question 613 in the man's questionnaire. The DHS questionnaires go under a revision process approximately every five years, with each new phase. There is much discussion among stakeholders until a final decision is made.
