Hi all, I'm trying to figure out the municipality for the Colombia 1990, 1995, and 2000 DHS. There is no GPS data for those surveys. The municipality code "smunip" is coded from 1 to 61 specific to DHS for surveyed municipalities that can not be used with the official Colombian municipalities codes. Is there anything I can do to figure the exact municipality code?

Thanks,
Mayte
