Hi, is there a way of accessing all DEFTs for all DHS surveys (all tables B2)? Table B.2 Sampling errors for national sample, [Country Survey Year].

Thanks

Diego

Following is a response from DHS Research & Data Analysis Director, Tom Pullum:

Unfortunately, the numbers in appendix B are only available in the pdfs for the reports. We have discussed the possibility of making them available as Excel files but there are no immediate plans to do that.
