Hi DHS Team,

Do you have a list of the DHS surveys that have included the domestic violence module? I have done a search on IPUMS but it doesn't seem to include the most recent surveys and for some countries it includes no surveys at all.

With many thanks,

Laura

I've now found out where to access this information - I used the Survey Search tool. In case helpful for anyone else, here's the link:

<https://dhsprogram.com/what-we-do/survey-search.cfm?sendsearch=1&selmodules=6&crt=1&listgrp=0>
